Dream Sports Job

The Buffalo Bulletin, a national award-winning weekly newspaper located in the foothills of the Bighorn Mountains, is seeking a leader to take over one of the best sports sections in the region while working in an area that inspired Ernest Hemingway with its incredible vistas, world-class hunting, fishing, hiking, biking and skiing opportunities.

The Bulletin's sports section is known throughout the area as the place to go for complete, thorough coverage of local teams and athletes. The sports section primarily covers local prep sports in three communities that are passionate about their student-athletes. The section also ventures to the great outdoors and during the summer months, the rodeo arena. Our sports reporters have covered everything from the NFL to youth wrestling, so you never know where this job will take you. With your office location ranging from the scenic Bighorn Mountains to high school gyms, one thing is certain - this is no desk job.

The ideal candidate for this position will have great news judgment, be self-motivated and have the drive to provide excellent sports and outdoor coverage. You will be able to write compelling game stories, features and columns. Photography skills are a necessity. And the ability to work on deadline is a must.

Experience with Adobe Creative Suite is a plus. We offer a competitive starting salary and generous benefits package including paid time off, a health insurance stipend, a health club membership for the whole family, and a 401(k) program. The Buffalo Bulletin belongs to a federation of community weekly and daily publications with 22 titles located in Colorado, Montana, Wyoming, Idaho, Washington, South Dakota, New Mexico, Michigan, and Nebraska. There is ample opportunity for advancement within our group of newspapers.

Compensation: Salary from \$28,000 and up with generous benefit package including 3 weeks paid time off, holiday pay, retirement, and gym membership.
 Please send your resume, clippings and photo samples, along with the names and contact information of three previous supervisors to robb@buffalobulletin.com.
