PUBLIC NOTICES

PUBLIC NOTICE
WMRFY-118

The Department of Environmental Quality (DEQ) is accepting public comments on new underground storage tanks to be installed in Hinsdale, Montana. This is only a summary of the proposed project. The entire Environmental Assessment (EA) can be viewed at <http://deq.mt.gov/Land/ust/ea>.

DEQ has prepared an EA as required by the Montana Environmental Policy Act (sections ARM 17.4.607(2) and ARM 17.4.609(2)). This project involves installing one 9,000-gallon triple-compartment Xerxes Fiberglass Reinforced Plastic (FRP) double-walled Underground Storage Tank (UST). This 9,000-gallon triple-compartment tank will have the capacity to store 5,000 gallons of Unleaded Gasoline, 2,000 gallons of Diesel, and 2,000 gallons of Dyed Diesel. The UST systems will utilize secondarily contained Franklin Fueling Systems APT XP double-walled flexible plastic piping. This proposed project will add three new UST systems for the newly-developed Raiders Quick Stop site, located at 842 1st Avenue North, Hinsdale, MT 59241.

Specific installation plans include the following materials and monitoring systems: **Tank:** This project involves installing one 9,000-gallon Xerxes FRP double-walled UST. The tank will be utilized by Ezzie's Wholesale Inc. as a petroleum re-fueling site. **Piping:** All product piping associated with this project will be Franklin Fueling Systems APT XP double-walled flexible plastic pipe. Approximately 140 feet of double-walled Franklin Fueling Systems APT XP flexible plastic piping will be utilized in this project. **Sumps:** Franklin Fueling Systems, model LM(M/D)-3914-36-W, large mouth polyethylene under-dispenser containment sumps and Xerxes tank-top sumps will be installed. Tank and piping system monitoring will be accomplished via internal tank probes and interstitial tank sensors, as well as continuous sensor monitoring in all containment sumps and electronic line leak detection for all of the piping. A Franklin Fueling Systems TS-550 EVO, model T550EDP, automatic tank gauge (ATG) will continuously monitor all operational parameters.

DEQ prepares EAs to inform interested government agencies, public groups, or individuals of a proposed action and to determine whether the action may have a significant effect on human health or the natural environment. After a ten-day public comment period, DEQ will decide what actions to take regarding this proposed project.

If you care to comment on this proposed project or the EA, please write or email the Waste Management and Remediation Division. Comments must be in writing and must be received by September 7th, 2016. Our email address is dequstprogram@mt.gov and our mailing address is PO Box 200901, Helena, MT 59620-0901.

Sealed bids will be received, publicly opened, and read aloud at 7:00 P.M., current Mountain Time, on **Monday, Sept. 12, 2016,** by the District Clerk, in the **School Cafeteria, Valley County School District No. 2 & 2B, 325 6th Street, Frazer, MT 59225** for:

Frazer Public School
Exterior Concrete Slabs
Frazer, MT

After this time no bids will be received, and all timely bids will be opened and read aloud. No bid may be withdrawn after the scheduled time for the public opening. All bids submitted or delivered after the stated time will not be opened.

Bids will be received for the work under one General Construction Contract, and shall be submitted on the form provided with the contract documents, copies of which may be secured from Dean Blount at Frazer Public School. The bid must be sealed in a manila envelope, be plainly marked "Sealed Bid for "Frazer Public School Exterior Concrete Slabs," and contain the name and address of the bidder.

A pre-bid walk-through for all interested Bidders will be held at 2:00 p.m., on **Wednesday, Aug. 31, 2016,** current Mountain Time. Contractors will gather at the **Construction site on the west side of the High School, Frazer, MT, 59225.** Sub-bidders are encouraged to attend.

All bids must be accompanied by bid security made in favor of **Valley County School District No. 2 & 2B, Frazer Public Schools** in the amount of 10% of the bid, in one of the permissible forms outlined in §§ 18-1-201 et seq., MCA; and the successful bidder will be required to furnish appropriate performance and payment bonds in the amount of 100% of the contract sum as outlined in §§ 18-2-201, et seq., MCA. The successful bidders will also be required to possess a Montana Public Contractor's Registration of the appropriate category prior to executing any contract, and all subcontractors will be required to possess a Registration number prior to starting any work on the project. In addition to these requirements, bidders are advised that the project is also subject to the following requirements:

- MT Prevailing Wage Requirements
- MT Resident and Product Preferences
- Indian Preference

The successful bidder will be required to pay the State of Montana a sum equal to 1% of the gross receipts from the public contract during the income year for which the Contractors registration number is issued.

Contractors are encouraged to work with the local TRIBAL EMPLOYMENT RIGHTS OFFICE (TERO) to employ Indian subcontractors and workers as much as possible. Indian preference requirements apply to this contract.

No bidder may withdraw its bid after the scheduled time for the receipt and opening of bids except as may be otherwise noted in the Contract Documents. No bidder may withdraw his bid within thirty (30) days after the actual date of the bid opening. The Board of Trustees reserves the right to reject any and/or all responses, to waive any and/or all informalities or technicalities, and to act in the best interest of the School District.
