1942 An officer reported negative contact at a Glasgow house. A female was concerned about her sister's welfare at that address. She said at around 1900 hours, her sister called her phone and it was disconnected by the time she got it out of her pocket. She called her sister right back and there was no answer. She has called four more times and still no answer. She believes her sister isn't in poor health, but thinks it is odd that she would call and then not answer. An officer was notified. By 1951, an officer spoke with the sister, who was fine. She was out running her dogs. She believed the phone call was a butt dial because she didn't call her sister. She will call her sister back. While on the phone with her sister, the officer cleared from the VFW and spoke with the sister's neighbor. The neighbor said her car was at her house just before 1900. He advised she was usually out running her dogs then. He will call PD when he gets back to his house to see if her car was there. The sister was fine and everything was okay.

Saturday, March 25, 2017

1643 There was an abandoned vehicle north of the highway parked on an approach into a field. It was not a hazard and didn't appear to be anything wrong. The vehicle was unlocked. A MHP did mark it because it was on the reservation and they will have five days to move it. They are having the walk across the reservation today, so it may belong to one of that group.

1652 A Glasgow female would like to speak with an officer at her residence. She advised one of her neighbor's dogs was out and her dog was barking because its friend was not in its yard. She said the dog was located on her property. She didn't know the name of the neighbor. An officer went to the scene, but no one answered the door. He left a message for the female about her dogs. He was able to get the dog that was out back in the yard.

1835 A deputy advised a semi headed westbound was leaving at a high rate of speed.

2041 A Glasgow male called about barking dogs. An officer

advised there was a dog barking down the block and he has heard the dog bark only once and it was in the house. He will monitor the area for awhile. He spoke to the dogs' owner about the complaint and also stated there are six dogs there and they were all registered.

2301 A coroner's call. A Glasgow male advised his mother had just passed away.

Sunday, March 26, 2017

1815 A Glasgow female was missing a white Pomeranian wearing a purple collar, no tags. The dog was full grown, about 5 pounds, had short hair and answered to Callie. She would like a call if it was found. At 1849, she found her dog.

2220 A Glasgow male reported a vehicle on the side of the road with its flashers on. It appeared to him that the vehicle hit a deer by the front damage. No one was around and the vehicle was locked. Dispatch called MHP Dispatch and they stated they had already gotten this call and a trooper was enroute.

Monday, March 27, 2017

1236 A Frazer man advised he had hit a dog at the intersection of Hwy. 2 and the Frazer North Road. He said it took out the whole front end of his car. He advised the car was about 15 feet up the gravel road off Hwy. 2. He was not at the car but had come to town to get his other vehicle so he could go to Lewistown. He advised the vehicle was a blue Dodge Dart. There were no injuries.

1441 A Nashua man reported a vehicle parked in the parking lot of the Grace Lutheran Church (formerly Bergie's) for over a week. He was told they could have it towed at their expense since it was on private property, but that Dispatch would try to get in touch with the owner. The Dispatcher said she had gotten a call on that vehicle not long ago and it was in the parking lot of the Wagon Wheel on an extended period of time. Dispatch left a message for the owner of the vehicle on his cell phone.

1506 A Valley County female said they'd be moving cattle in about 1-1 1/2 hours, and she wondered if an officer could flag for them. A deputy was advised who said he would try to get someone down there by that time.

1801 A Glasgow male came
