Joel R. Novak, as Grantor, conveyed the above-described property to Valley County Abstract Co., Inc., as Trustee, to secure an obligation owed to First Community Bank, as Beneficiary, by Trust Indenture, dated August 18, 2008, and recorded August 20, 2008, under Document No. 137640, records of the Clerk and Recorder of Valley County, Montana. The beneficial interest in the Trust Indenture is currently held by Montana Board of Housing as a result of the most recent Assignment, recorded August 25, 2008, under Document No. 137698, records of the Clerk and Recorder of Valley County, Montana. The Trustee in the Trust Indenture was replaced by a Successor Trustee, namely, Mark E. Noennig, the undersigned.

The default in the obligation, the performance of which is secured by the aforementioned Trust Indenture, and for which default this foreclosure is made, is the failure by the Grantor, or other person owing an obligation, or by their successors-in-interest, to pay the monthly installments of \$518.56 each due thereunder on the 1st day of each of the months of October, 2016 through March, 2017, which is applied to principal and interest and to an escrow account if established for other obligations under the Trust Indenture, late charges which are 4.00% of principal and interest more than 15 days in arrears, currently \$5.30, attorney's fees and foreclosure costs, currently \$794.00, advances for property protection, currently \$60.00, for a current total default of \$3,970.66; together with accruing late charges, advances, and expenses of foreclosure, including attorney's fees and costs.

There is presently owed on the obligation secured by the Trust Indenture the principal sum of \$45,336.07 plus interest thereon at the rate of 6.5000% per annum from the 1st day of September, 2016, until paid, or \$8,0735 per day, currently a total of \$1,614.71, late charges, advances for property protection, and escrow shortages, currently \$425.30, attorney's fees and costs, currently \$794.00, for a current total indebtedness of \$48,170.08. Other expenses to be charged against the sale proceeds include accruing late charges, escrow shortages, if any, attorney's fees and costs, and expenses of foreclosure and sale.

The Beneficiary has elected to sell the above-described property to satisfy the aforementioned obligation and has instructed the undersigned Trustee to do so. The sale is a public sale and any person, including the beneficiary, excepting only the Trustee, may bid at the sale. The bid price must be paid in cash. The conveyance will be made by a limited warranty Trustee's Deed. The purchaser shall be entitled to possession of the property on the 10th day following the sale.

The sale may be postponed up to 15 days for any reason by public proclamation at the scheduled sale. If there is a stay by bankruptcy or court order, the sale may be postponed up to 30 days at a time by public proclamation, for a total of no more than 120 days.

The grantor, successor in interest to the grantor, or any other person having an interest in the property, at any time prior to the Trustee's Sale, may pay to the beneficiary the entire amount then due under the Trust Indenture and the obligation secured thereby (including costs and expenses actually incurred and attorney's fees) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default theretofore existing.

THIS IS AN ATTEMPT TO COLLECT A DEBT; ANY INFORMATION OBTAINED WILL BE USED FOR THAT PURPOSE.

At 6:43 p.m., the man advised that a train was blocking the tracks on Tampico Rd. At 6:58 p.m., dispatch spoke to BNSF and they will see about getting the train moved. They said they were not responsible for putting up signs on the roads prior to the crossing. Dispatch called a male and he went to look and reported that this was 100 percent BNSF doings. He said it was well marked with class three barricades on both sides.

1841 A Glasgow male report-

ed his girlfriend took his vehicle, then wouldn't tell him where it was. He has found it now at a Glasgow location, but she will not give him the keys back and it is the only set he has. He called back at 7:19 p.m., and requested to talk to an officer, who said it would be a little bit before he could call this man back.

1910 A card was started per a deputy's request for a vandalism that was investigated at the Duck Creek Fish clearing station at Fort Peck.

2136 A Glasgow female called about people speeding back and forth on 2nd Ave. S in Glasgow. An officer went to patrol the area, but didn't find anything.

Sunday, May 28, 2017

0114 A call was received to assist a Fort Peck citizen. Their Corvette was locked and the cell phone was on the center console. The vehicle presented a hazard where it was sitting. The deputy will look for someone walking. It turned out that the vehicle had run out of gas and the officers will be issuing the driver of the Corvette two citations and they will all be on their way.

0307 A Glasgow male called and someone is in his backyard puking drunk. The incident was resolved peacefully.

0727 A Glasgow male stated his van was now parked behind a girl's residence. He stated he was on his way to work. The van is a 2004 Windstar van. An officer advised no one was answering the door. He got in

touch with the female who lived there and she told him that a man had the keys at the Oasis. The officer went there and got the keys and brought them back to the female's house. The officer advised no contact to the Glasgow male.

0857 There was a heated argument between a man's aunt and his grandmother.

1457 A Glasgow female called in stating there was a white pickup parked at Pizza Hut that had smoke coming out of the passenger side window. An officer advised he deployed his extinguisher and thinks he has it out, but the fire department thought it was the seat that was on fire. At 3:28 p.m., the fire was out and the fire truck back in the barn.

2158 A Frazer male called to report a big bonfire across the road from him. There were some kids around it. It was called in to RC after conferring with VC, as this was within reservation boundaries and anyone around this would likely be tribal.

Monday, May 29, 2017

0504 A Glasgow male called to let dispatch know they were doing pigeon control at 80th Valco and CHS Grain Elevators that morning. They should be done by 8 or 9 a.m. They are driving a green Tahoe and a red Ford Focus if someone needs to talk to them. At 2:49 p.m. he called dispatch back to let them know they were done.

1710 An officer assisted a vehicle with a boat at Fort Peck that had the cover coming off.

1937 A deputy advised he was

at Holiday with what looked like a pickup that had run over a motorcycle. The bike's owner was on the scene and was also looking at the bike. They were going to handle it themselves. The bike was for sale on the property and the lady who owned the property backed into the bike.

Tuesday, May 30, 2017

0809 A Glasgow man owns the storage units by Aces and 8's who advised that one of the trailers in the trailer court behind there had a water leak that was running down into the area of the storage units. 0814 An Opheim male advised there was a healthy-looking dog in the area at an Opheim location that people had noticed this morning. It looked like a great dane but was shorter and had a head like a boxer. It was kind of a brindle color with white. Dispatch gave the caller a phone number to send them a photo of the dog to put on Facebook. At 12:53 p.m., a lady picked up the dog and has it with her. 1521 A vehicle ran into the back of a Glasgow building. There were no injuries.

1606 A Valley County man reported there was a fairly new black Ford pickup in the river. He didn't see anyone around. It was west of Nashua where you turn across the tracks across from the dump turnoff. Dispatch notified a deputy and Helena HP. Helena advised that a HP would probably be responding out of Wolf Point. At 4:38 p.m., the owner of the pickup called in and said the pickup was not in the river. He was on the river with another

man and everything was okay. A deputy advised that he saw the pickup and it was parked on the gravel, not in the river.

The dog went behind Reynolds towards the RR tracks and won't come to anyone's calls. It was then behind Eugene's at the garbage cans. An officer advised of the dog's city tag number. He returned the dog to its owner and gave the owner a warning for dog at large.

1636 A Glasgow male requested an officer to stop by the LaCasa to talk with him. He reported that another male pushed him at Albertsons about a-half hour ago. His mother, grandmother and the store manager witnessed the incident. An officer advised that he would have another officer call him back.

Thursday, June 1, 2017

so the deputy was going to wait at Nashua for a bit. The Frazer person reported that the people had left the fire, so the deputy at Nashua will stand down now.

A friend of the dog's owner was going to take the hurt dog to the owner's house to give it some water. The dog may be an Australian shepherd. At 8:16 p.m., the dog's owner was found.
