**Saturday, July 15, 2017**

0444 A Glasgow male reported he hit a deer approximately 14 miles west of Glasgow. There were no injuries. The caller is a driver for PTI. He stated that the deer was dead and on the north-side of the road. Dispatch left a message MHP and for MT DOT about the deer.

0617 A Lustre caller reported an oil well fire right off the main road in the valley on the north-side. The Lustre FD was also called and they stated they got the well shut down so the fire was almost out, but would like a unit to come spray down the ground. All fire units called would be staging in Nashua at the Wagon Wheel.

0926 A Nashua male advised he hit a deer about 2 miles north of Hwy. 2 on the Nashua Rd. north around 1 a.m. today. He drove a little farther up the road but stopped because he didn't have headlights. He tried to call people last night, but no one would answer the phone, so he is still with the vehicle. There are no injuries. He was patched up with MHP dispatch. A deputy was notified of the call.

0954 A Glasgow male has a bale that started on fire. He has it pretty well contained, and has equipment on site, but will just have to let it burn out. He does not need any assistance from the fire department but thought he should let dispatch know in case someone called in about the smoke. A text page was sent to Long Run so that they are aware.

1019 A Glasgow female reported a gray pickup parked on Third Ave. S. in front of the library that has had a puppy in it for the last two days. She said the windows aren't open and she hasn't seen a person around. She said the gray pickup is parked in front of a white pickup with the top that is full of garbage. She reported the gray pickup had a bunch of stuff in it too, but not like the white one. She thought it might be a lab puppy. A deputy checked out the vehicle and found that the windows were down but there was no water in the vehicle. It appeared they were going to be back shortly. The deputy will keep an eye on it and check back. By 12:14 p.m., the vehicle was gone.

1245 A Glasgow male reported water rushing out of a control box in Alumni Park, kitty-corner to Albertsons. Dispatch notified the water department.

1323 A Glasgow female reported that near an intersection in the westbound lane there was a crate that dropped off someone's vehicle and into the driving lanes creating a hazard. By 1:30 p.m., a deputy had the crate off the road.

1824 A deputy reported he was assisting a red pickup pulling a boat and a blue car with local plates. The boat trailer blew a tire, and by 6:25 p.m., they had it changed and everyone was down the road.

1830 A Glasgow male reported a male subject trying to get into the front door of his residence, but the door was locked. The subject then went around to the back of the house. The caller advised his house is posted no trespassing. He was extremely hard to understand due to the wind in the phone, but advised

he was tracking the subject. As he was speaking to dispatch, he said the male was headed west on 3<sup>rd</sup> Avenue, then headed down third St. N to Hwy. 2. His last reported location was west on 2<sup>nd</sup> Ave. N. The caller described the man as having scruffy brown hair and wearing glasses, a black T-shirt, blue jeans and tennis shoes. Officers were notified. Officers spoke with the RP, who didn't want to press charges. He just wanted the male sent on his way. The suspect was directed to go home and that was where he was headed.

2042 A Frazer male reported he had hit a deer and believed his vehicle, a Toyota 4-Runner, was totaled. He stated the radiator was leaking and the grill was gone. There were no injuries. He was going to try to roll the vehicle off the road. Dispatch contacted Roosevelt County SO, who already had this information and they had an officer enroute.

2259 The Hinsdale FD called in over radio responding to a growing grass fire. All units were advised to stand by as the caller advised that he can't see the glow of the fire. By 11:47 p.m., they could not find the fire and they were all heading back to the barn.

**Sunday, July 16, 2017**

0100 A St. Marie male advised his girlfriend was drunk again and causing a disturbance. He wants her removed from the residence. No weapons are involved. By 1:07 a.m., he called back to say she had left the residence to stay at a friend's house.

0647 A Glasgow male reported that someone cut the antlers off the big buck that the PTI driver hit yesterday. He believed this was illegal and thought someone should know. The deer was on the east side of the road.

1406 A turquoise-colored, older jet ski was buzzing through flocks of geese on the dredge cuts at Fort Peck. They have been going back and forth through the geese a couple times today. A female was told before by Fish and Game to try and record it, but by the time she had gotten her camera out, she was only getting the last bit of it. She tried to reach F&G, but there was no answer. Dispatch told the caller to call back when she witnessed this so there would be a running log of when they were doing it and dispatch would leave a message for the game warden.

1432 A Daniels County male reported an extremely large fire in Roosevelt County. He had no location other than he felt it was 20 miles south of Scobey. He was patched up with RC. They are aware and have a ton of trucks up there. At 3:01 p.m., a female caller from a Larslan residence reported seeing a fire. She thought it was about 4 miles from them. She said it was moving fast and she didn't see any trucks there. She said if it got to them, they were dead. Dispatch told her about the fire in RC, but she didn't think it was that fire she was seeing, but also that she didn't know the area very well. Her husband got on the phone and he thought the fire they were seeing could be the fire by south

of Scobey. At 3:26 p.m., dispatch received a call from RC, who said the fire was actually in Daniels County, but they have sent 10 or so trucks there. They said it was just across the line.

1942 A female reported a red or maroon van speeding, heading to the dump near Hinsdale. She stated it had gone by three to four times. She stated they have been having problems there with people speeding more and more. She was willing to sign a complaint.
