**PUBLIC NOTICES**

NOTICE OF TRUSTEE'S SALE Reference is hereby made to that certain trust indenture/deed of trust ("Deed of Trust") dated 01/29/13, recorded as Instrument No. 149417, mortgage records of VALLEY County, Montana in which Tony Alvernaz, a married person Tony Alvernaz, a married person was Grantor, Wells Fargo Bank, N.A. was Beneficiary and Alliance Title & Escrow Corp was Trustee. First American Title Insurance Company has succeeded Alliance Title & Escrow Corp as Successor Trustee. The Deed of Trust encumbers real property ("Property") located in VALLEY County, Montana, more particularly described as follows: Lot 21B of Hektner's Cherry Creek Suburban Tract, located in Section 33, Township 29 North, Range 39 East, MPM, according to the Official Plat thereof on file and of record in the Office of the Clerk and Recorder, Valley County, Montana. Plat filed June 23, 1980 at 4:00 P.M. as Misc. File No. 21523. Beneficiary has declared the Grantor in default of the terms of the Deed of Trust and the promissory note ("Note") secured by the Deed of Trust because of Grantor's failure timely to pay all monthly installments of principal, interest and, if applicable, escrow reserves for taxes and/or insurance as required by the Note and Deed of Trust. According to the Beneficiary, the obligation evidenced by the Note ("Loan") is now due for the 02/01/17 installment payment and all monthly installment payments due thereafter. As of July 6, 2017, the amount necessary to fully satisfy the Loan was \$109,391.17. This amount includes the outstanding principal balance of \$104,547.67, plus accrued interest, accrued late charges, accrued escrow installments for insurance and/or taxes (if any) and advances for the protection of beneficiary's security interest (if any). Because of the defaults stated above, Beneficiary has elected to sell the Property to satisfy the Loan and has instructed Successor Trustee to commence sale proceedings. Successor Trustee will sell the Property at public auction Valley County Courthouse, 501 Court Square, Glasgow, MT 59230, City of Glasgow on November 22, 2017 at 2:00 PM, Mountain Time. The sale is a public sale and any person, including Beneficiary and excepting only Successor Trustee, may bid at the sale. The bid price must be paid immediately upon the close of bidding at the sale location in cash or cash equivalents (valid money orders, certified checks or cashier's checks). The conveyance will be made by trustee's deed without any representation or warranty, express or implied, as the sale is made strictly on an as-is, where-is basis. Grantor, successor in interest to Grantor or any other person having an interest in the Property may, at any time prior to the trustee's sale, pay to Beneficiary the entire amount then due on the Loan (including foreclosure costs and expenses actually incurred and trustee's and attorney's fees) other than such portion of the principal as would not then be due had no default occurred. Tender of these sums shall effect a cure of the defaults stated above (if all non-monetary defaults are also cured) and shall result in Trustee's termination of the foreclosure and cancellation of the foreclosure sale. The trustee's rules of auction may be accessed at [www.northwesttrustee.com](http://www.northwesttrustee.com) and are incorporated by the reference. You may also access sale status at [www.NorthwestTrustee.com](http://www.NorthwestTrustee.com) or USA-Foreclosure.com.
