0235 A female reported she could hear screaming, yelling and cussing coming from a Glasgow address. An officer reported he arrested a male for a domestic disturbance there.

0808 A Glasgow female was just forced off Highway 2 by a semi that came into her lane just west of Glasgow. She said the semi was in the left lane and she in the right, and about halfway down, the semi, when it came over into her lane, forced her to drive over the median onto the side road in front of Carquest. She said the semi turned onto 4th St. but she doesn't know where it went from there. She reported the semi trailer was red with soft sides that were rolled up. She thinks the cab of the semi was black, but not sure. She also thought it had writing on it, but didn't know what it said. She was willing to write out a statement if the officer needed one. The incident happened about 10 minutes before her call to dispatch. An officer was notified.

0849 A Glasgow female reported missing her purse since Sept. 27. She had checked all the areas in Glasgow where she had been that day and no one had seen it. She described the purse as looking like a pouch, nylon material with three zippers. It was about 5x8 inches and black in color. She said it contained her California ID and money. She would like a call if it was found.

0936 A Glasgow male wanted to see if PD had any reports of a vehicle hitting a guard rail just east of the turnoff to East Side School across from John Deere. He advised this was at mile marker 542.2. He said he isn't sure when it happened, but it had to be after a rain as they

LAST WEEK'S ANSWERS

Out and About in Saint Marie and Beyond

BY FRANK AND LIN VARGO III
COURIER CORRESPONDENTS

We have had a few wonderful fall days that has been colorful and thoughts of harvest days and pumpkins do come to mind.

For over a month now, some Saint Marie residents have gone through not only a main break on Ash Street, but also service line breaks to buildings. We met Kelly McVay in Albertsons on Oct. 6, and asked if his building had water restored. McVay stated that they are now hooked up to a hose which runs from another building on their side of the street, and that even though it is better than no water at all, there still is a problem with pressure and it is a trickle which they can wash dishes and take a somewhat of a shower, but he stated it will be good to get these service lines fixed before cold weather sets in with concerns of hoses freezing

ST. MARIE NEWS

before the lines can be fixed. He stated that his wife, Amber, and himself have been buying bottled water and storing it in their home since the boil advisory has been in effect. To say that McVay was disappointed in the situation was an understatement.

While we were in Albertsons, we met another family from Saint Marie. Mike Medora and his wife, Rachel, and their son, Joshua, who live on Spruce Street. Mike mentioned the Boil Water Advisory, and that even though North Valley County Water and Sewer has been testing the water, the water in his home is running a rusty color.

In our SMCA monthly letter, it stated that at the time of the break, the tests came back clear, and at the time of the newsletter, they should be getting the result of later testing and that they will post status change notices as soon as possible. There is still a Boil Water Advisory in place for our

Saint Marie residents. This means that after the water has come to a full rolling boil, boil for at least one minute.

The digging that had been done on Walnut Court was not because of a service break, but there had been seepage into the basement and it was discovered that it was a "new" underground spring.

Then there is still the fire hose across the street to the hydrant and to a resident's home on Pine Street, which is supplying water for that building.

Our condolences goes out to the family and friends of John W McLeod, who passed away on Oct. 1. He was so young and fought a hard battle with a very aggressive form of lung cancer. McLeod not only had worked with the North Valley County Water and Sewer District a few years ago, but also held a job printing with the Glasgow Courier. Again, our condolences to friends and family.

The Saint Marie Fire Department headed up the GHS Homecoming Parade this past Friday afternoon. Last year we were at the Homecoming Parade and re-

ally enjoyed it.

Also, a reminder to all, the Women's Club will hold a Root Beer Social for Fire Prevention Week at Town Hall on Saturday, Oct. 14, from 1-4 p.m.

Ladies' Bible Study was held yesterday on the 10th at 7 p.m. and the next Bible Study will be held on Oct. 24, at 7 p.m. at 195 Cedar Circle. If you have any questions, please call Sherry Childers at 524-7368.

There will be a Fire Board meeting on Tuesday, Oct. 17, at 8:30 a.m. and a Water & Sewer Board meeting at 9:30 a.m. the same day.

The Missouri-Yellowstone Confluence Interpretive Center at Fort Buford, N.D., has their October schedule out.

She stated too that tomorrow there would be more people out doing the rest of the road, so if someone could bring some barricades out when they were done today they would leave them in the high school parking lot for them to use Sunday.
