The Beneficiary has declared a default in the terms of said Deed of Trust due to Grantor's failure to make monthly payments beginning June 1, 2017, and each month subsequent, which monthly installments would have been applied on the principal and interest due on said obligation and other charges against the property or loan. By reason of said default, the Beneficiary has declared all sums owing on the obligation secured by said Trust Deed immediately due and payable. In the event that all defaults are cured the foreclosure will be dismissed and the foreclosure sale will be canceled.

The scheduled Trustee's Sale may be postponed by public proclamation up to 15 days for any reason. In the event of a bankruptcy filing, the sale may be postponed by the Trustee for up to 120 days by public proclamation at least every 30 days.

If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Successor Trustee and the successful bidder shall have no further recourse.
