## Out and About in Saint Marie and Beyond

FRANK AND LIN VARGO III  
 FOR THE COURIER

Congratulations are in order to Saint Marie Assistant Fire Chief Nick Degreek. He took his vacation in the Kalispell area for his spring hunting trip where he bagged his spring bear.

As of June 9, Saint Marie residents are still without a contracted postal person for our postboxes at Town Hall. It was a surprise that the person that had applied for the position decided not to take it but Glasgow's Postmaster, Michele Olson, has been coming up here to deliver mail to our boxes. All Saint Marie residents should appreciate and say a special "thank you" for what Michele has done for us. This is not Michele's job to do this, but she is such a wonderful person she has taken on this task, until someone else can take over this contract. Thank you Michele Olson, you are appreciated.

The training mortar that was found in one of Pat Kelly's basements by a resident here (we will withhold his name) was a very big surprise to all. This might be a good time to remind kids who will be out playing, and their parents, if anyone finds something that looks like an explosive device, please do not move it or touch it. The mortar that had been found obviously was very dangerous, but at least it had its safety pin intact. Make sure to call 911 and leave the area. The sheriff's department is asking to not deliver such devices to law enforcement for safety reasons.

## ST. MARIE NEWS

Herb Sand was mowing the tall grass behind our place and across the street. He and his wife have a unit here caddy corner from us, and stopped by to introduce himself. Sand mentioned that at one time in the late 1990s, he was the one that kept this whole area of Saint Marie trimmed, neat and tidy. Herb and his wife had a large farm north of here with a wonderful greenhouse and the most beautiful gardens that we personally have seen. They still have their home but have downsized their farm acreage. Herb's son has Sand Electric in Glasgow.

There have been a few stray dogs around Saint Marie lately and one came for a visit to our home. A black pup with a little light brown trim was running around. The Sheriff actually "beeped" at the pup mentioned to get him out of the road. There have been complaints put into the condo office about dogs who are let to roam or who escape their premises.

Warmer weather means a reminder from the Fire Chief and crew that there will be no fireworks allowed in Saint Marie due to the buildings' dry wood which can go up in a flash.

According to helenair.com, that despite the high snow pack in much of the state, northeastern Montana is still seeing moderate drought too, so watch your kids. A few years back we had a couple of boys that were playing with matches and set two of the buildings on fire.

The Water and Sewer Board meeting will be held on Tuesday, June 19, at a new time this month and residents are hoping from now on. The meeting will start at 5:30 p.m., so more people may

attend then the old scheduled time in the morning. The residents have asked for some time now and it has finally changed.

The Fire Board meeting will be held on Tuesday, June 19, right after the Water Board meeting, at 7 p.m.

Village Board meeting is on Wednesday, June 20, at 11 a.m., and the Condo Board "special" meeting is on Thursday, June 21, at 9 a.m., and the regular meeting will be held at 10 a.m., that day.

Episcopal Worship Service will be held on Sunday, June 17, at 10 a.m., at 2 Lakeview Drive,

St. Marie. If you have any questions please call Alice Hawkins at 524-3397.

Saint Marie Fire Department training was held June 10, instead of the June 17 due to the 17th being Father's Day. By moving the dates, our crew can spend the day with their families. If you would like to join our Saint Marie Fire Department or have any questions please call St. Marie Fire Chief August Aho at 263-9733 and we have a new Assistant Fire Chief, Nick DeGreek.

Hope the rest of your week is great one!
