**Good Luck! Don't forget to predict the score on the
Tie Breaker Game!**

Beginning with the first scheduled football games of the 2024 season, entrants will have the opportunity to use their skill and knowledge of football to predict the winners of each listed game. The entrant with the most correct predictions will win first place for the week. The entrant with the second most correct predictions will win second place prize.

Tie Breaker Game: When contestants tie, their accuracy in predicting the score of the tie breaker game will determine the winner. Each person may play one ballot. Courier employees and their families are not eligible.

Please note that the games are printed one week in advance, allowing time for contestants to study the teams and make their predictions. No purchase required.
